## A HISTORY OF GIVING LETS US THRIVE

**IF IT WASN'T FOR A GENEROUS DONATION** of \$600 in 1896, the Hussey-Mayfield Memorial Public Library may not have existed. It most definitely would not be the active, innovative, thriving community resource most residents know today without a generous endowment from the Lora Hussey estate in 1962, and subsequent gifts from the local Hoffman and Mayfield families.

The commitment these individuals and families made to the community not only built the Library, it also established a long and rich history of philanthropy that continues to provide lifelong learning opportunities to current residents. These donations, and many others throughout the following decades, are the heart of the **Hussey-Mayfield Memorial Public Library Foundation**.

Formed in 1999, the **Library Foundation** is proud to play a role in supporting and supplementing activities and special projects at the Zionsville Library. If your family has participated in **Summer Reading**, attended a **free art or music event**, lounged in our **Conversation Corner**, or browsed our **website**, then you have experienced the value of the **Library Foundation**.

You may now make a commitment to benefit your community, support lifelong learning for all, and provide a welcoming community space for residents of all ages. **Watch for more information** and unique fundraising events for new and current donors to come very soon. **To receive news alerts** about the Library Foundation, please visit <http://bit.ly/HMMPLFoundationNews>.
