LIBRARY CARDS ARE A VALUABLE SCHOOL SUPPLY!

STUDIES SHOW THAT STUDENTS WHO USE THE LIBRARY and read at home, perform better in school and are more likely to continue to use the Library as a source of lifelong learning. "You can learn so much at our Library, and our librarians are trained to help students find research materials for a variety of school projects," said **Jamie Schlenk**, Youth Department Head. "Educational movies, audio books, print books, eBooks, and online databases are all available and include information about a wide range of topics."

Older students may also benefit from attending free test-prep events offered seasonally by the Library's Teen Department.

Pleasure reading, movies, as well as educational and entertainment events are all accessible with a Library card. Registration is simple; adults may complete an online form at <http://bit.ly/HMMPLcard>, or drop by the Library with their driver's license or state I.D. which displays their current address.
